Caciocavallo di Salvatore

Caciocavallo di Salvatore

Made from whole cow's milk sourced from local farms, this delicious handcrafted cheese is lightly salted and aged for three months, giving it a buttery flavor and creamy texture.

Caciocavallo is a semi-soft cheese with a fairly thin rind of a light-yellow color that intensifies with age. Its flavor also sharpens with age. Pair it with fresh or dried fruits and nuts, melt in recipes, grate over pasta, slice for sandwiches, or serve simply as a table cheese.

Try it...

melted atop your favorite cut of red meat!
